CHPC Users Birds-of-a-Feather (BoF)

Thursday, 1 December 2022 10:15 (1 hour)

The CHPC Users BoF is focused on engagement with all CHPC Users where an overview will be presented on the usage of CHPC compute resources, discussion of topics of common interest, feedback from users to the CHPC and engagement of users with CHPC employees. Discussions will focus on the usage of the Lengau compute clusters (CPU and GPU) and the Sebowa cloud infrastructure.

All users are encouraged to participate in this session!

Presenters will include: Werner Janse van Rensburg, Dorah Thobye and Nkwe Monama

Primary author: Dr JANSE VAN RENSBURG, Werner (CHPC)

Presenter: Dr JANSE VAN RENSBURG, Werner (CHPC)

Session Classification: BoF
