Computational Science for Graduate level training

Wednesday, 30 November 2022 11:45 (30 minutes)

This talk will highlight the ongoing efforts of the ICTP (International Centre for Theoretical Physics, Trieste, Italy) and partner institutions in developing graduate level academic programmes on HPC and related fields.

Primary author: Prof. ONIME, Clement (International Centre for Theoretical Physics (ICTP))

Presenter: Prof. ONIME, Clement (International Centre for Theoretical Physics (ICTP))

Session Classification: HPC

Track Classification: HPC Technology
