NVIDIA® DEEP LEARNING FUNDAMENTALS FOR COMPUTER VISION

YOUR INVITATION

As global delivery partners of the NVIDIA Deep Learning Institute, we're excited to offer attendees of the CHPC National Conference the chance to take a Deep Learning Fundamentals for Computer Vision workshop!

This hands-on, instructor-led workshop will take you through the fundamentals of Image Classification, Object Detection & more.

By the end of this workshop, you will be able to deploy your own Neural Network using popular Deep Learning frameworks.
