

Centre for High Performance Computing 2019 National Conference

Sunday 01 December 2019 - Thursday 05 December 2019

Birchwood

Scientific Programme

HPC Technology

SA NREN

DIRISA

BoF proposal

SIG seminar proposal

Workshop proposal

Astronomy and the SKA

Astrophysics and Space Physics

Bioinformatics and Biological Sciences

Cognitive Computing and Machine Learning

Computational Chemistry

Computational Mechanics

Earth Systems Modelling

HPC Techniques and Computer Science

Materials Science

Physics

Storage and IO

SIG Seminar: Chemistry, Material Science and Health Science

Special Interest Group Seminar series: Computational Chemistry, Material Science and Health Science.

SIG Seminar: Weather and Climate Modelling

Seminar dedicated to the Weather and Climate Modelling special interest group.
