Vendor Crossfire: Mr Addison Snell and Mr Dan Olds

Wednesday, 1 December 2021 18:15 (1 hour)

The Vendor Crossfire Session is focused on giving the audience the opportunity to learn more about the products and offerings of the conference sponsors in a fun and engaging session.

The session will be facilitated by Addison Snell and Dan Olds from Intersect360 and will also involve participation of the audience to e.g. vote on answers to questions posed to vendor representatives.

Short introductory presentations will be made by each vendor representative followed by a questions session. The following representatives have been confirmed:

Dr Jean-Laurent Philippe (Intel)
Mr Yossi Avni (Nvidia)
Mr Olivier Blondel (HPE)
Mr Kamel Beyk (Dell Technologies)
Mr Ernst Burger (Altair)
